

**A Magical Musical Fairy Tale**  
in Three Enchanting Acts and Eight Illustrious Scenes

**"Malan Flower"**

**Premiere Performances in the United States**

"Malan Flower" is a fascinating Chinese classical musical fairy tale which captivated the hearts and minds of children and their parents for generations. It has been performed in movies, plays, musicals, and ballets in China, Japan, Russia and numerous other countries. This musical and dancing adaptation of the original classic offers many new twists and turns for a new generation of viewers as we enter the 21st century. With extensive planning, a large budget, a sparkling international cast, and opulent staging, this show offers an unprecedented spectacular production.

Give a delightful treat to your family. Let them experience exquisite beauty, throbbing excitement, adorable charm, and chuckling laughter in this special show. When you attend the performance, you are entering the magical and enchanting forest of Malan Mountain to participate in a joyous festival.
